ADMINISTRATOR ISSUES ANOTHER SUGAR RULING.

A copy of an official notice issued Saturday by District Federal Food Administrator William Simms, of Lexington, have been received by those interested in this city. The notice has especial reference to the sugar situation, in that it provides that the retailers and not the wholesalers are to take up canning certificates for the sugar issued to housewives. These certificates are to be sent to the Louisville office for redemption. They will not be honored by the head office, if sent in by a wholesaler. The notice is as follows:

"Notice to Wholesale Grocers: Kindly notice that wholesale grocers must not take up canning certificates. This is against the rule of the Food Administration. The Sugar Division will not honor these certificates if sent in for redemption. It is the place of the retailer to forward these certificates to the Louisville office for a replacement certificate. Note the difference: a replacement certificate is negotiable with the wholesaler; a canning certificate is not."

The Kaiser, shuddering at the idea of violation of the "sacred soil" of Germany, had no consideration for the sacred soils of Belgium and France.

German General Staff has warned the Chancellor that the Reichstag mustn't talk about present military events. Brest-Litovsk is still a much safer topic.

MUST DO NO UNNECESSARY BUILDING AT THIS TIME

The Priority Division of the War Industries Board has notified the Kentucky Council of Defense that all unnecessary building and repairing in the country must be deferred until the close of the war. There are, however, a few exceptions to this order, which will be explained to anyone interested, by applying to the Chairman or any member of the Bourbon County Council of Defense.

All who are contemplating the erection of buildings of any description will have to make application to the Kentucky Council of Defense through the Bourbon County Council of Defense, stating the kind of building to be constructed, the necessity for its construction, the quantity and quality of each of the several kinds of materials to be used in its construction, and the total cost of the building. This application will have to be made under oath. Persons who are constructing buildings of any kind in this county are requested to notify the Chairman or any member of the Bourbon County Council of Defense, who will take the necessary steps for obtaining permission for the completion of the building. Remember that this is the Nation's business and that all other considerations will have to be subordinated to that now.

CATARRH CANNOT BE CURED

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

WORST KIND OF A SLACKER.

The man who converts his War Savings Stamps into cash when he can afford to carry them during the five-year period is the worst kind of a slacker. He should be in Germany fighting the Kaiser. Postoffice statistics are showing that it is not the widows who have sons in France or persons who have suffered illness or financial misfortunes who are cashing in their War Savings Stamps, but men who purchased War Savings Stamps merely for show or to gain patriotic publicity. Such men think they can secretly sneak around to the postoffice, get the money which they have invested in stamps and use it for some other purpose or pleasure without the public's knowing about it. In reality such a person is worse than an open enemy. He is willing to stab Uncle Sam in the back in the dark, while he supports him openly in the light. It has been suggested that postoffices keep a record of all persons cashing in their War Savings Certificates, that the public may know who are and who are not true American citizens.

A shell is measured by its diameter. A three-inch shell fits a gun whose "bore" is three inches across; but the shell may be fourteen inches long or more.

SINCERE GRATITUDE

Mrs. William Bell, Logansport, Ind., writes: "I deem it my duty to express my gratitude for the good Chamberlain's Colic and Diarrhoea Remedy did me when I had a severe attack of diarrhoea three years ago. It was the only medicine that relieved me."

Ventilating apparatus that automatically changes the air in a telephone booth each time it is used has been patented by an Illinois inventor.

Scientists are authority for the statement that the earth is drying up. Would that the same might be said about Congress.

Do You Need Glasses?

Let us make a thorough, scientific examination of your eyes, based on ethical grounds, not to recommend glasses unless you need them. Ask yourself these questions: "Do I have headaches, nervous spells, drawn, tired eyes? Does type sometimes blur? Do I see spots before my eyes?" Answer fairly and squarely, for your own good, for over-strain repeatedly day by day will break down the delicate nerves and muscles of the eyes and irreparable injury may result. Our years of experience insures accurate results.

So says Mrs. Clarence LeBus, State Chairman of the National War Savings Committee, in writ-of the training given her secretary, Miss Parlee White, who is one of our graduates. Mrs. LeBus also says in speaking of the school:

Weighed 90 Pounds Before Taking PERUNA

Recommend it to Her Friends "I don't need Peruna any more. I am all well. I have taken six bottles. I weighed ninety pounds before I started with Peruna. I was just as poor and as weakly. I had given up hopes of ever getting well, such a cough and spitting, and could not eat anything. Now since taking Peruna I weigh one hundred and thirty-five pounds. All my friends said I would never get well. I was just a shadow. I have surely recommended your Peruna to many of my friends, and they are using it. I will recommend Peruna, for I am so thankful for what it has done for me."
